Ms. Carolyn Wright, RDCC Administrator
DNR/RDCC
1594 West North Temple
Salt Lake City, UT 84114

Dear Ms. Wright

This letter is being submitted for RDCC committee review, comment and governor approval as per Utah Code 63-11-17(2).

The Utah Division of Parks and Recreation has been managing the Big Sand Wash area since 1965 when it was donated to state parks by the Moon Lake Water Users Association. Due to a lack of funding for capital improvements this park has received very little development of its facilities. This parcel has been identified for disposal for a number of years.

The Moon Lake Water Users Association, Central Utah Water Conservancy District and the U.S. Department of Interior have signed an agreement to enlarge Big Sand Was Reservoir as part of the Lake Fork River stabilization project. The property needed for enlargement of the dam on Big Sand Wash is owned by state parks. Disposal of this property to Moon Lake Water Users Association will clear the way for enlargement of this reservoir.

The attached maps indicated the location of this property.

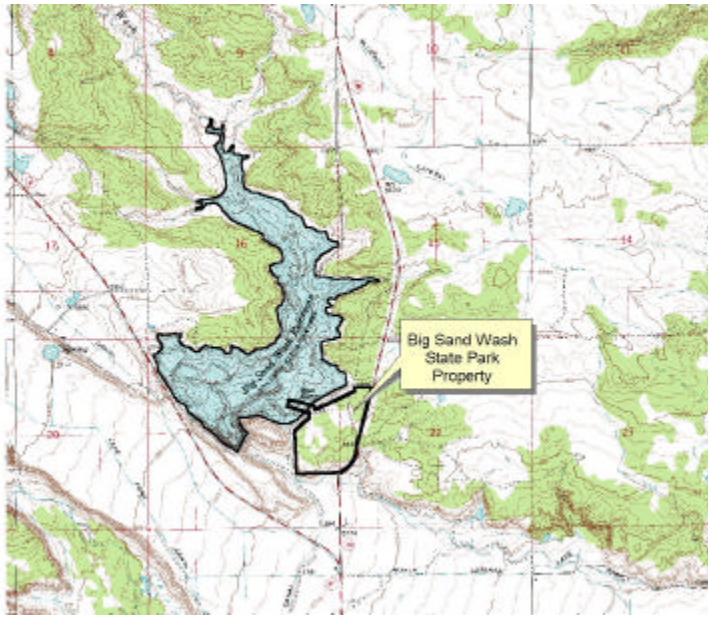

Sincerely,

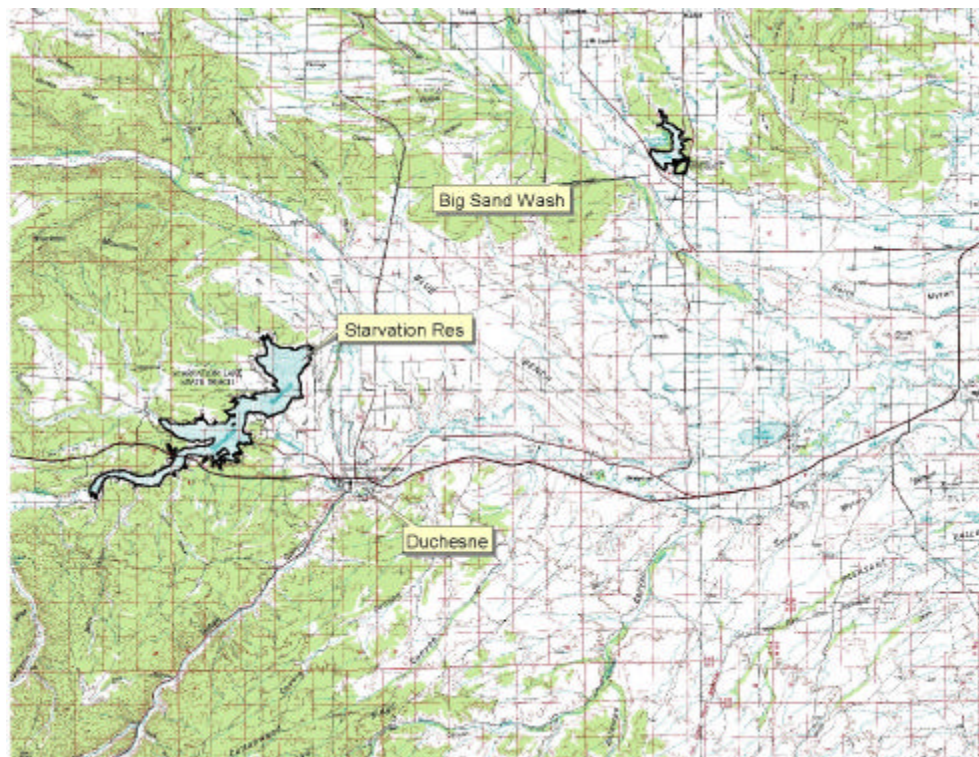

Wes Johnson
Lands Coordinator
